

THE CHURCH OF THE HOLY NAME

28 March 2023

Dear Holy Name School families,

At the beginning of Lent we began our search for the next principal of Holy Name School, and as we near the end of this season I am happy to announce that we have signed a letter of intent with our new principal who will begin on July 1st.

Mrs. Megan dos Santos is currently the Vice Principal of Academic Affairs at Bishop Connolly High School. During her time there, she served as the curriculum coordinator, implemented a data driven instruction initiative using MAP testing, and worked to create a program to support students with IEPs and other learning needs. She also led the Christian service program, helping to better engage students in the community by putting their faith into action.

During the search process Mrs. dos Santos visited our school, met with our teachers, and also interviewed before a Principal Search Committee composed of current and former parents, teachers, and parishioners. After assessing the different candidates for the position, we were unanimous in our consensus that Mrs. dos Santos is the best candidate for the position given her skills, experience, and connection to the local community. I am confident that she will bring the leadership our school needs to further develop the quality of our academic program and community life, integrated and enlivened by our faith in Jesus Christ.

For the rest of the year Mr. Mancuso and I will continue to share the responsibilities of principal. I am very grateful for his assistance. Mrs. dos Santos will be present from time to time as well, as she gets to know the Holy Name community.

Please always feel welcome to communicate to me any questions or concerns you may have by email at frwilliams@holynamefr.com or by contacting me at the parish office.

Sincerely yours in Christ,

Fr. Riley Williams
