

February 11, 2020

Dear Parents,

We are slowly recovering from the recent waves of illness! Not as many cases this week. Thank you for paying attention to your child's temperature and not sending them in until they are 24 hours fever-free.

As we head into our winter vacation, please make sure your students are up to date with their assignments. This break is a great opportunity to catch up on missed work, as well as enjoy some well-deserved rest and relaxation. The business office will be open Tuesday-Friday 9:00 a.m.-12:00 p.m. should you need assistance.

Thank you for your support of the Scholastic Book Fair. It was a great success and we earned nearly \$2000.00 in books and other resources for Holy Name School. Special thanks to Nancy Sardinha for her work in coordinating the entire event!

Thanks also to Christine and Lou Cyr for their efforts in bringing a great Chowder and Clam Cake night for our community last Friday evening. Thanks to all who attended and able to enjoy a midwinter "Summer-time" dinner!

A prayer card for Dr. Wardell is being sent home today to all families. We realize that not everyone had the opportunity to get one and we wanted to be sure that everyone has one. She was a fantastic leader for our school and role model to our students. Please feel free to send in a donation to the scholarship fund we set up in Dr. Wardell's memory. There is no better way to honor her legacy than to donate to the fund that will help less fortunate children enjoy our school. Please make checks payable to: the Dr. Wardell Scholarship Fund.

There are a few upcoming dates and events to keep in mind:

Please see all attachments for a few announcements for this week.

Weekly Mass will be celebrated at 8:20 on Wednesday morning, we are fortunate that Father Juan Carlos will celebrate Mass with us. It will be a nice chance for your students to reconnect with Fr. Juan Carlos!

Please return your re-registration forms to the Office as soon as possible. Any questions, please see me or Jayme.

Notices to families who do not have current nursing information on file have gone home for a second time. It is imperative that all students have up to date physical records and immunizations on file with the school. Please send them in ASAP.

Have a great week and a restful vacation week. God Bless,

David J. Flanagan

Principal
