

February 25, 2020

Dear Parents,

Welcome back! I hope that all of our families had some time to slow down and get some midwinter rest and relaxation last week! We seem to have fewer sick students and faculty this week, so maybe we are by the worst of the flu season. Thank you again for paying attention to your child's temperature and not sending them in until they are 24 hours fever-free.

There is a flyer attached for our upcoming Wine and Spirit Tasting at Fall River Country Club on March 21, 2020. It should be a wonderful evening and chance for our community to share some good food, cheer, and music!

Our annual Appeal with Holy Name Church will begin the first week of March. Please see the attached description of things that our school hopes to obtain this year through the generosity of our community.

We are pleased that Mrs. Nancy Boardman has agreed to take over our Art and Music classes for the remainder of the year. She is an experienced teacher who knows many of our students and we are excited that she will be with us regularly! We also have begun the process of hiring an excellent Strings teacher who will hopefully begin on Friday with our Strings students. After we finalize arrangements with her, I will provide an introduction...stay tuned!

We would like to remind you of the importance of going in the entrance and out the exit when entering or exiting the school yard. It has been noticed that at the end of the day especially this is not always followed and could be extremely dangerous.

A reminder to our students and their families who will be receiving First Communion this May that there is a class for these students in the Parish Center this coming Sunday March 1, 2020 from 9:45-11:00 a.m. All students and at least one parent must attend.

***A reminder that all families are welcome to celebrate our weekly Mass each Wednesday at 8:20AM. Please stop by whenever you have the chance to celebrate with us!***

***Weekly Mass will be celebrated at 8:20 on Wednesday morning. Ashes will be distributed.***

**Please complete your FACE financial aid applications before the end of the week. Applications close this week.**

**Please return your re-registration forms to the Office as soon as possible. Any questions, please see me or Jayme.**

**Notices to families who do not have current nursing information on file have gone home for a second time. It is imperative that all students have up to date physical records and immunizations on file with the school. Please send them in ASAP.**

***Please see all attachments for announcements for this week.***

God Bless,

David J. Flanagan

Principal
