

February 4, 2020

Dear Parents,

We have been hit very hard in the last couple of weeks with the flu, stomach bugs, and every type of cold possible! Hopefully you are staying well as we get through the winter season!

Please remember to keep your child home for 24 hours after they are fever free. (This does not mean if medication takes the fever down, but rather they need to be fever free without medication.) This will hopefully limit the number of children who will catch some of these viruses.

If you have any questions about schoolwork that your child is missing due to illness, please contact their teachers for assistance.

We had a great Catholic Schools Week last week and thank you to all our students and families that were able to participate in so many great events!

There are a few upcoming dates and events to keep in mind:

Please see all attachments for a few announcements for this week.

Weekly Mass will be celebrated at 8:20 on Wednesday morning.

We are hosting a Scholastic Book Fair during this week, please take this opportunity to encourage your children to read! We will have our Family Book Sale event on Friday February 7th from 5:00-7:00 p.m. We hope you can stop by to see the many options personally.

Please see the attachment for the Chowder and Clam cakes evening on February 7th

Our Grade 8 class is hosting a Valentine's Day sale of candygrams and carnations to help supplement the cost of their class trip to Washington. Please see the attached flyer.

The Grade 8 student council has enclosed a letter in this week's Tuesday envelope packet with some changes they have worked with me to implement. We hope the changes allow the students to recognize that we can all work together towards a common goal, and that their voices are heard at our school.

Please return your re-registration forms to the Office as soon as possible. Any questions, please see me or Jayme.

Notices to families who do not have current nursing information on file have gone home for a second time. It is imperative that all students have up to date physical records and immunizations on file with the school. Please send them in ASAP.

Have a great week and God Bless,

David J. Flanagan

Principal
