

# Tuesday Update

May 24, 2023

First and foremost, I'd like to apologize for this notice being a day late. It was just not possible for me to get it out to you yesterday. Ty for your understanding.

As we are approaching the end of the school year, it is time for the FACTS accounts to roll over. This will happen on **June 2, 2023**. You will see the charge for enrollment come out of your account at this time. That amount will be up to \$50.00 depending on the plan you have. I am attaching the information from FACTS to this letter. That is the only amount that will come out at this time. The first payment for the 2023-2024 school year will begin July 1st. Again, the date of that payment depends on your individual agreement.

If you have re enrolled your child(ren) and **DO NOT intend to return**, please make sure I know this by this Friday, **May 26th** so I can let FACTS know in time for this fee to not be withdrawn as it is NOT refundable.
