

Holy Name School is establishing a Parent Ambassador Program!

Do you know the most influential factor in school enrollment decisions? Word of Mouth from current parents!

We hold Open Houses, post on social media, update our Web site, provide updates in the church bulletin, submit pictures to the local newspapers... all of which share the wonderful things happening at Holy Name. YOU, however, have the best opportunity to promote our school.

A Parent Ambassador Program will provide some support and structure to your efforts.

If you answered "Yes" to the questions at the right, contact Jana McHenry, Director of Advancement/Alumni, at jmchenry@hnsfr.org to learn more!
