September 28, 2021

Dear Parents and Guardians, I hope that all is well with you! We have begun our Fall round of MAP testing this week. We will share some summaries of MAP results for the past two years after the conclusion of this series of tests.

Thank you to all for continuing to assist us with wearing masks and staying on top of assuring the safest environment for our students. It is through these continued efforts that we can hopefully precede through the year in as normal a fashion as possible.

Please take note of the attachments/notes below that contain some valuable information pertaining to sports, a Parish Breakfast, required forms, and picture day.

We will be implementing the new COVID testing plans by the end of next week for those families participating. I will forward more details next Tuesday.

BCHS

Mrs. Jo-Ann Bettencourt along with a few of Bishop Connolly's ambassadors will be here tomorrow, Wednesday, September 29th to speak to the members of our grades 7 & 8 classes.

MAP Testing

We will be continuing with MAP Testing this week. Mrs. Krauzyk will be continuing on Monday with Kindergarten and will continue through to Friday with grades 7 & 8. All grades will be testing this week. Testing will be done during computer class so the students schedules will not be affected. MAP Testing will conclude next week with all students being tested.

Lifetouch

A representative from Lifetouch will be here next Thursday, October 7th to take individual pictures. The paperwork will go home next Tuesday and you should send it back on Thursday with your child if you'd like to order. If you want to order online, go to mylifetouch.com and use code EVTRW3XH6. Please print out your confirmation and send that with your child on Thursday. You have the option of having your child dressed in uniform or regular clothes. If you chose regular clothes, please refer to our dress down policy on the HNS website.

First Day Forms

At this time, we need to ask all parents who have not completed First Day Forms to do so. Please go to following link to do this electronically. The link is: [https://www.hnsfr.org/First-Day-](https://www.hnsfr.org/First-Day-Forms)

Forms

We do need to have one filled out for **every student**. We also need a medical form for each student to start the school year. Even if you sent one last year, we do need one. Please attach to you First Day Form file or email Ms. Chippendale at jchippendale@hnsfr.org.

COVID Consent Form and Title I Survey

We do need to have a Covid consent form as well as the Title I survey returned from every family. If you have yet to do so, please take a moment to fill out and return these very important paper today.

Mass

There will be no school Mass next Thursday, October 7, 2021. Mass will resume the following Thursday.

CYO Basketball

It has been a long running tradition that Holy Name has both boys' and girls' teams that play basketball at CYO on Anawan Street. (Grades 3 and up) We'd love to keep this going, but in order to do so we need your help. We are looking for coaches for all teams. If you are interested, please let Ms. Chippendale know.

CYFL

Futsal has also been a tradition here at Holy Name School, especially since all grades are welcome. Please see the very important messages regarding Futsal attached.

CORI Check

We are still hopeful that we will be able to have functions/field trips that require volunteers. In order to volunteer, you will need to have an up to date CORI form. If you are interested in this, please email Ms. Chippendale.

Lunch Orders

Please remember to order lunches online for next week by Thursday.
