

SPEND-A-DAY PROGRAM

Prospective transfer students are invited to spend a day as a Husky!

Families who are considering a transfer for students in Grades 1-8 are welcome to sign up for our Spend-A-Day Program. Students will be paired with a student and have the chance to attend class, participate in activities, and get to know what it is like to be a Holy Name Husky. Parents will have an opportunity to meet with the principal and teacher to discuss any questions they may have about our academic program, admissions process, and financial aid.

What to Expect:

- Students should arrive between 8:00-8:15. Families are welcome to take a tour at this time. They will be introduced to the students who they will shadow.
- Students attend classes, lunch, and recess with their partner. We will provide lunch but students are welcome to bring their own as well.
- Spend-A-Day will end at 2 p.m. and students will be brought down to the main office to be picked up by their family. Younger students have the option of spending a half day.
- Families may schedule a meeting with the principal or academic support team as needed at drop off or pick-up.
